JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 8 February 1973

25X1A

1. (Confidential - JGO) Confirmed with the office of Mike Finley, Inter-American Affairs Subcommittee staff, House Foreign Affairs Committee, an off-the-record briefing on current intelligence roundup concerning the Western Hemisphere for Wednesday, 21 February, at 9:30 a.m. Finley does not have a room assigned as yet. [] OCI, has been advised.

2. (Internal Use Only - JGO) As a followup to his call of Tuesday, talked to Gordon Kerr, in the office of Representative Barbara Jordan (D., Tex.). Since Kerr will be tied up during the afternoon, he suggested that, if possible, we meet early in the week concerning Representative Jordan's questions on Agency training of municipal police.

3. (Confidential - JGO) Met with Carl Marcy, Chief of Staff, Senate Foreign Relations Committee, who told me that the transcript of yesterday's meeting with Richard Helms will not be available for Agency review and suggested that we not press for its release. I thanked him for the advice. He noted that Helms had accepted responsibility for domestic activities of the Agency and that a letter to James Schlesinger outlining Chairman Fulbright's feelings on matters such as the training of municipal police would be forthcoming. In response to my question, Marcy gave me his opinion that Chairman Fulbright's letter may not require a response.

4. (Internal Use Only - JGO) Jack Maury and I met with Chairman Holifield, Government Operations Committee, and members of his Committee staff and reviewed with him Agency training of municipal police. Chairman Holifield's interest stems from a formal request from Representative Edward I. Koch (D., N. Y.) to Chairman Holifield requesting investigation of CIA involvement in domestic activities. See Maury's Memorandum for the Record.
